Note: Some International wires require an Intermediary or Corresponding Bank. International wires can take up to 3-7 business days to be received.

The wire fee for an international wire is \$75.

We highly recommend not requesting wires through email. Email is not secure and increases risk and/or wire fraud. UTB recommends requesting wires in-person or via fax. Other request methods may be denied. The Bank is not liable for any fraud occurring from emailed or phone in requests.
